M.D. BOW VALLEY HOLDS MEETING

J. A. MacArthur moved that we accept all cheques in payment of tax at Strathmore at par. Carried.

Moved by Jackson that Councilors for Divisions 1 and 2 be a committee to damage claims at the pound situated on the S.E. 16-22-24th; that Councilors for Divisions 3 and 5 be a committee to settle disputes in connection with damage claims at the pound situated in the Town of Strathmore; and that Councilors for Divisions 4 and 5 be a committee to settle disputes in connection with damage claims at the ponds situated on the N.W. 26-22-24th, and the S.W. 4-22-26th, and on the N.W. 29-22-26th. Carried.

Moved by Wheatley that we appoint a Finance Committee to certify accounts on behalf of the Board; that two members of this Committee certify each account for payment; and that this Committee consist of Councilors John A. MacArthur, Emory Jackson and W. H. Hartell. Carried.

Councillor Wheatley moved that this Council constitute the Local Board of Health, that the Reeve be Chairman and the Secretary Treasurer of the Board; that each member of this Council be an executive officer of the Board to look after health matters in his Division; and that health matters be taken up at each regular council meeting and at meetings called by the Chairman.

Councillor Jackson moved that each of this Council be a relief officer in his Division with authority to issue emergency relief orders and to make recommendations as to the amount or amounts necessary to meet the needs of applicants for or recipients of relief. Carried.

MacArthur moved that the Legislative Committee consist of Councilors James Harwood and J. M. Wheatley.

MacArthur also moved that W. E. Thompson be appointed Inspector under The Mothers' Allowance Act and the Old Age Pensions Act. Carried.

Moved by Jackson that the Reeve and Secretary-Treasurer be authorized to pay the following accounts if they become due: office light, telephone, salary, school requisitions and road crew's wages semi-monthly. Carried.

Moved by Wheatley that W. E. Thompson be appointed assessor. Carried.

Wheatley moved also that office hours be set from 9 a.m. to 12 Noon, from 1 p.m. to 5 p.m. That one half day holiday be allowed our office staff each week on Wednesday and Saturday, each party to take alternate afternoons each two weeks. Carried.

Moved by MacArthur that we accept the following new rates for the care of inmates in the S. A. Ryndville Home, Gleichen, who are our responsibility: Up-patients \$20.00 per month; Semi-hospital \$40.00 per month; Hospital \$45.00 per month. Carried.

SUGGEST WHEATLEY TO LEAD LIBERALS

Many Liberals throughout the province will have noted with favour the nomination of J. M. Wheatley, of Chancellor, as Liberal leader for the province of Alberta. The announcement of nominations was made a little over a week ago, and includes many other well known Liberals.

Mr. Wheatley, who is well known throughout the province, in the Bow Valley area particularly, has served the Liberal party for some years, in addition to his other interests in nearly every public body or organization. Though he has not as yet decided whether or not to accept the nomination, Mr. Wheatley is giving the matter keen interest. He is of course, appreciative of the honour bestowed, but at the same time mindful of the responsibilities and the duties consequent upon his acceptance. His supporters in this area will wish him well in any case.

END RED X CANVASS

The Red Cross canvass has been closed by the committee, and funds will be forwarded to headquarters as soon as all returns locally are received. These few canvassers who still have some outstanding are asked to return them as soon as possible to Mr. J. Gannon at Baldwin Motors to permit the winding up of this affair.

While returns are still incomplete it is learned that \$1,050 has been raised in this effort.

DRY-CLEAN LAUNDRY PLANT BOUGHT

Mr. C. H. Wills, of Calgary, has bought the laundry plant in Strathmore from Mr. Bert Donovan, and is now moving his equipment into the building. His present estimate is that it will be about two weeks time until the plant can be ready for business.

Both Mr. Wills and his wife will operate the plant, and their intention is to erect at the rear of the premises a modern dry-cleaning plant. Mr. Wills has had more than eight years experience, and is a highly qualified expert in the dry-cleaning line.

Mr. Donovan is busy moving his equipment at present, and until his plans become a little more settled, he will operate from the clubhouse at the old supply farm.

S'MORE CURLERS ANNUAL MEETING

The Annual General Meeting of the Strathmore Curling Club was held in the dining room of the Memorial Hall on Wednesday evening April 9, 1947. About 35 members and 10 or 15 visitors were present most of whom were members of the Lakes Curling Club.

The financial statement showed a balance of \$349.96 on hand with all accounts for the past season paid. \$229.43 was spent on building improvements during the year and \$24.75 for sharpening of 9 pairs of rocks.

The President, Mr. Tom Glendinning, thanked the members for their loyal support during his number of years of office and stated that owing to circumstances he was not prepared to accept nomination for re-election. He expressed his satisfaction with the present healthy condition of the club and felt that a splendid year's curling had been enjoyed.

LARSEN-MYRTHUE

Sunday, April 13 at five o'clock a very pretty wedding took place in the Standard Lutheran Church, when Una Myrthue, only daughter of Mr. and Mrs. Anton Myrthue, was united in marriage to Vernon Larsen, youngest son of Mr. and Mrs. Axel Larsen.

Rev. Jorgensen officiated at the wedding ceremony.

The church was decorated with baskets of yellow tulips and white snapdragons, with white bows marking the pews.

The bride entered the church on the arm of her father to the strains of the wedding march, played by Nels Weismose, of Calgary, at the organ. She looked lovely in her long white satin gown cut on princess lines and she wore her mother's wedding veil which was held in place by a lace headband.

She carried a white Bible on which rested a mauve orchid from which cascaded white Stephanotis blossoms. Her only ornament was a cameo necklace, a gift of the groom.

Miss Lily Laurson as bridesmaid was gown in a long yellow gown with a Chapel veil to match. She carried a nosegay of spring flowers. Little Joan Petersen was flower girl and wore a long gown of mauve taffeta.

LEGION AUXILIARY MEETING

There was a good attendance present at the Canadian Legion Auxiliary Monday evening at which Mrs. Tew presided.

Plans were made for the Card Party and Dance to be held Friday, April 25.

Delegates to the Convention in Edmonton June 8-11 are Mrs. S. Slater and Mrs. E. E. McLaughlin.

Five new members were initiated at the meeting. A short program of quiz contests proved interesting. Refreshments were served and the meeting adjourned about 10 p.m.

BOW VALLEY LEAGUE IN BASEBALL

The representatives to the league, of the Strathmore Baseball team, on Tuesday that all teams of the Big Six of last year, excepting Strathmore and Rockyford, have dropped out of the league this year.

The present intention, under these circumstances, is to form a league in the Bow Valley area, with teams from Strathmore, Carlsland, Nightingale, and Rockyford. Nothing yet has been done definitely, but arrangements should be furthered in the near future.

M.D. HOPES FOR ASSESSMENT DROP

Meeting on Tuesday with representatives from the Board of Assessment Commission from Edmonton the Council of M.D. Bow Valley were well received in their appeal for a reduction in the equalized assessment. Present from Edmonton were Messrs. Blackstock and Massey from the Board of Public Utilities, Forbes and Laflamme from the Board of Assessment and Swann from the Department of Municipal Affairs.

The appeal is the culmination of a dissatisfaction for some time with the equalized assessment spread over this and adjacent areas, insofar as it applies to school taxes, since the school areas are not contiguous with the Municipality areas.

The Council asked for a reduction

Yellowfly Called to Ottawa

Chief Teddy Yellowfly, of the Blackfoot Tribe, leaves on Friday for Ottawa, where he will be one of a delegation of 14 Indians who will be called in consultation by the government.

She carried a nosegay of spring flowers. Mr. Simon Jensen supported the groom. Mr. Dennis Myrthue, brother of the bride and Mr. Vernon Petersen were the ushers. During the ceremony Mr. Stanley Rasmussen sang "The Lord's Prayer."

After the ceremony a reception for 70 guests was held at the K. P. Hall. During the reception, Mr. Stanley Rasmussen sang a solo and Mr. Nels Weismose played violin solos accompanied by Mrs. Axel Larsen.

"Our Home" was held at the K. P. Hall at 8 o'clock.

Mr. and Mrs. Vernon Larsen left later on the honeymoon in Calgary and Banff. The bride wore a grey gabardine suit with black accessories and as a corsage wore the orchid from her wedding flowers.

Out of town guests were Miss Cella Myrthue, Mr. and Mrs. Nels Weismose, Mr. and Mrs. J. E. Reid, Mr. and Mrs. John Carmichael and Miss Donna Rasmussen, all of Calgary.

CHEADLE NEWS

—By B. W.—

We are sorry to hear that Mrs. E. Jackson has been in bed several days with a cold.

Mr. R. McLaughlin and Mr. L. Welshimer are directors representing the Cheadle district in the newly formed Valley Fish and Game Association.

Mr. L. Welshimer is also chairman of the Game Committee.

A very large crowd attended the dance which was held in the Cheadle Hall on April 11.

A Cheadle Curling Rink consisting of Mr. and Mrs. E. McLaughlin, and Mr. and Mrs. L. Welshimer challenged a Strathmore rink. Mr. Jim Harwood, Boris Harwood, and Mr. and Mrs. Frank Bisacre. The latter winning all on the account of a rabbit's foot hanging from Jim Harwood's pocket.

Mr. George Jackson has been confined to bed with Bronchitis. We wish him a speedy recovery.

Mrs. E. Scott and Murray of Elkhorn are visiting Mr. and Mrs. M. Drake.

Mr. and Mrs. Clarence Bond and Mr. and Mrs. Carless Bond of Iricana, were visitors at the home of Mr. and Mrs. M. Drake on Sunday.

Mr. and Mrs. I. Keer entertained a number of guests at a dinner party Friday evening, after which they all went to the dance.

Mr. Ches Barber, whose new car was stolen from his garage in Calgary was found recently. It was fairly well stripped.

100% in the assessment, and showed grounds on which their appeal was based. While such a reduction would not lower the taxes for municipal purposes it would drop the levy for school purposes by an estimated \$7,500 per year.

While no ruling will be given for about two weeks, the Council was complimented on its presentation of its case, and told that they had the best case for appeal so far heard. On this basis, the Council is hopeful that the reduction will be granted. They made it clear also, to the committee, that they felt their request for 10% was a fair figure. . . . that they were not asking 10% in the hope of receiving 5% reduction. As one councillor stated, "This is not a horsestrading deal."

THE OUT-SIDE

CENTREVILLE COW FALLS THROUGH BARN ROOF

Mr. Holland was surprised the other day when he walked into his barn and found an extra cow. He knew she was not in when he locked the doors after the others. The cow had walked up the straw pile beside the barn and fell in through the roof. It was "happy landings," for she was none the worse for it.

STOBAOT

About twenty five friends and neighbors gathered at the home of Sam Duncan and his bride, Friday night. An enjoyable evening was spent in visiting and sing song, after which lunch was served.

Mrs. K. J. Fisher, Mervyn and Gail, spent several days during the Easter holiday with Mr. and Mrs. George McLean.

We welcome to Stobart, Mr. and Mrs. Fred Wright and family as the new Pool Elevator Agent.

Mrs. R. A. Foster was a Calgary visitor last week.

Jim Craig was a Stobart visitor Monday.

Billy Blancy of Gleichen spent a couple of days visiting Lloyd McLean.

Adel is home from Calgary and is now employed in the hotel at Gleichen.

Vivian Thompson spent a few days during the holiday with Elaine Ferguson.

Mrs. Sanders and Wayne spent last weekend at the home of her sister and brother-in-law, Mr. and Mrs. Geo. McLean.

The Foster family motored to Calgary Saturday night to see the hockey game.

Curling Club Annual Meeting

Election of officers resulted in the following slate for next year. Pres.—James Harwood; Vice-Pres.—Red McDonald; Secy. Treas.—H. C. Willson; Executive Committee—in addition to the above: James Swanson; W. S. McNeill; Roy Voutier; Keith Baldwin; Building Committee—H. C. Smith; Claude Mackie; Lee Welshimer; and W. Woodliffe.

A hearty vote of thanks was tendered to the retiring President for conducting the affairs of the Club in such an able manner for the past few years as evidenced by the present satisfac-

ory financial condition of the Club.

Mr. Spence Hughes, on behalf of the Club, presented the Secretary-Treas. Harley Willson, with a lovely Ever-sharp pen in appreciation of his services during the past 3 years. This was accepted by the Secretary with heartfelt thanks.

A hearty vote of thanks was tendered to the Ladies Curling Club for their assistance during the past year in providing lunches for the Annual Bonspiel and in many other ways.

Life Membership was granted to Harry Freeman in view of his long

and active association with the Club. James Harwood and James Swanson were elected delegates to attend the Annual Curling Club to be held in the Canadian Curling Club to be held in Calgary on Wednesday, April 16.

It was decided that at the beginning of each season in the future a local competition would be held to determine a rink to represent the Club in the McDonald Brier competition. It was also decided to encourage boys' rinks by making ice available for them for their own competitions at suitable times and to sponsor a High School Rink to participate in the Miniature McDonald Brier competition.

Building accommodation for next year came up for full discussion and the general feeling was that 4 sheets of ice would be required. The following resolution was adopted.

"That in the event of the present canvass failing to raise sufficient money for both a skating and a curling arena another meeting of the Curling Club be called immediately to proceed with plans for a new curling rink."

Coffee and a light lunch was served followed by a sing song with Mrs. Spence Hughes at the piano.

Asi de from scrawling "Ernie loves Edna" on the walls of a swimming pool, says Syd Coldwell, no use thus far has been discovered for the underwater pen.

Bill Gronberg: To whom was Minerva married?" Mr. Crowther: "Bill, when will you learn that Minerva was the Goddess of Wisdom. She wasn't married."

HIRTLE'S

CLUNY

— By Mrs. E. B. —

A shower was held for Mrs. J. Fenske (nee Helen Williams) in the Cluny Community Hall on Saturday last, was attended by between 50 to 60 guests. The gifts were many, varied and were presented to the guest of honor in a gaily decorated wheel barrow.

The tea tables were prettily decorated with crepe paper and spring flowers.

Mrs. Fenske in a few well chosen words thanked her many friends for the gifts.

A dainty lunch was served and another social event was ended, and pronounced a decided success.

Mr. Walter James, convener of the Red Cross collection committee, wished to express his appreciation to all

SEED PLANT STRONGER

Additional support had been given the erection of a seed cleaning plant, it was learned early this week, through the ordering of sufficient 1,000 registered seed to plant about 1,000 acres more than had been assured last week. This brings the total to something in the neighborhood of six thousand acres, and one village point has not been heard from.

It was learned also that some varieties of seed are getting scarcer, though by dint of routing around a little all of them are likely to be filled. Prices of some varieties have increased too, it is stated.

those who helped in the drive and reports the sum of \$209.50 has been sent in to head quarters, and there is still a small amount to be reported.

RURAL GLEICHEN

At the Easter service at the St. Andrews Church in Gleichen, the following people had children baptised, Mr. and Mrs. K. Sammons, Mr. and Mrs. Harvey Bogate, Mr. and Mrs. W. Schmidt, Mr. and Mrs. E. Holland, and Mr. and Mrs. Tom Yule (nee Dorothy Bobette).

Georgina MacPhee, Margaret Robson, Oliver Corbitt and Don McArthur drove to Michich last Sunday. Margaret remained for a short visit with friends.

Tuesday afternoon Mrs. D. Yule was hostess to a group of friends who gathered to honor Dora Nerland with a shower. Contests occupied the afternoon hours. Margaret Holt and Charlotte Burne were the winners. After a delicious lunch was served, the many beautiful gifts were presented to the guest of honor. She was assisted by her sister Inga in wrapping and displaying them. In a few well chosen words Dora thanked her friends for their remembrances and invited them to call on her at her new home near Brooks.

Anna MacMullen was at home over the Easter holidays, from attending

school in Calgary.

Rise Forest and Shirley Williamson of Calgary spent the Easter week with Mrs. A. Renaud.

Mr. Umbrite received word that a son was born to Mr. and Mrs. M. Bird of Long Beach California. Mrs. Umbrite has been with her daughter Ruth for several months.

A daughter was born to Mr. and Mrs. J. L. Morris on April 9. Mrs. Morris will be remembered as Lillian Eason.

Another of Gleichen's former girls, Jean MacBean, was married in Calgary last week.

Betty Burne of Calgary has been visiting her Aunt and Uncle Mr. and Mrs. R. J. Burne the past few days.

Mr. and Mrs. R. B. Hayes have returned from visiting their daughter, Mrs. P. Marsh, in Salem Ore.

A week last Saturday a group of friends gathered at the home of Mr. and Mrs. W. Cook to help him celebrate his sixty-ninth birthday. They report a very good time.

Mr. E. Webster and Son Eric visited his sister Mrs. R. J. Burne a few days

last week.

Mrs. Bert James, Gordon and Barbara spent part of the Easter holidays visiting her parents Mr. and Mrs. W. Cook.

Mr. and Mrs. F. Daw and Tommie visited Mr. and Mrs. Tom Daw of Standard Sunday.

Robert Black of Calgary and his fiancée were weekend guests of Mr. and Mrs. Gordon Hall.

Mr. and Mrs. K. Sammons and family were dinner guests of Mr. and Mrs. G. Chartrand Friday evening.

Good News for Farmers
**FLAX WILL
BRING YOU
\$5.00 per BUSHEL**

The Honorable James G. Gardiner announced March 17th that, effective August 1st, the price for 1947 flax crop will be \$5.00 per bushel, basis No. 1 C.W. Fort William. Flax is now Canada's most profitable crop.

Not only Canada, but the whole world needs edible and commercial fats and oils. The flax you will grow supplies linseed oil for paint, linoleum, printers' ink, rubber, metal castings... shortening, even livestock feed. Plan to grow maximum acreage in flax this year and every year. Special re-cleaned flax seed is now available to help you get started. LOCAL TAXATION

The Town Council, and other bodies, are again coming around to the season for thinking about estimates, and mill rates, and assessments. It may also be the season for thinking about a revision of the basis for taxation locally.

The municipalities have for some time felt that the high levy on land alone was not a fair manner of charging the drive services to the public. It is quite likely that the same is true of the towns and villages.

In Strathmore last year, taxes on real property, at the only tax levied, reached an unprecedented high. So high in fact, that it amounted to the householder paying a fair amount of rent for his home in the form of taxes. Even before the abnormal increase of last year, it was possible to own a home in Calgary and pay lower taxes than on a comparable home in Strathmore.

This situation is not conducive to families building and buying homes in town. It should be possible to exact

only a nominal tax on homes, so that a bread-winner in difficulty for a time would not face the prospect of losing his home for taxes in a few short years.

We are hoping that when, and if, water and sewer goes through the town, there will be attracted a large number of new homes and new families. And yet our high tax rate is a bar to this.

Much better, we feel, would be a reduction of the tax on homes and improvements, and institution of a business tax, such as is very common in most centres, or of a public utilities charge which would carry a large percentage of the cost of civic administration. This arrangement works unusually well in Red Deer, to cite one example.

We know that the business man is an ever-present target, but he is not so universally marked out as the home-owner. And in the long run, the businessmen are likely to benefit through more home-owners, and a sounder basic economy.

No More Acceptable

Canada, like 50 other nations not among the Big Four, is committed by the U. N. Charter to taking military action against an aggressor when so instructed by the Security Council. In realistic terms, an "aggressor" in future will be a nation which takes to change by violence the status quo as fixed by the peace treaties. Can the world expect the small nations to be loyal to this obligation if they have had nothing to do with fixing the status quo? That is the question raised by Mr. King and it would be foolish to answer that the small powers are militarily negligible.

anyway. Conceivably, it might be of the highest importance whether a Security Council decision were supported or ignored by Canada, Australia, the Netherlands or India—to name only four of the small powers. Basically, as Mr. King noted, the question is whether democratic methods shall be adopted in running the business of the "one world" the United Nations fought for. Canada, for one, was in the war to prevent the domination of one of two powers over all the others. The domination of four powers is not more accepted.

A BOY'S BIRTHRIGHT

By Fleta Bruer Gonso

I'd rather give a boy a dog,
To know its love and care,
Than give him all the toys on earth,
And leave his small heart bare.
I'd rather give a boy a stream
To follow all day long,
Than show him all the highest towers
Without a wild bird's song.
I'd rather give a boy a wood,
To wander in at will,
Than show him myriad city streets,
Where flows no beckoning rill.
The birthright of a boy's a dog.
A wood, a winding stream,
The song of birds, a climbing tower—
And in his heart, a dream!

BURNED TIMBER BUILDS NO HOMES

Sixty thousand new 6-room homes could have been built with the lumber from 15,000,000 acres of timberland damaged by 83,000 forest fires in the United States last year. Nine out of 10 of those fires were caused by the carelessness or the thoughtlessness of someone.

Everybody can help keep down the forest fire loss by observing certain precautions when in or near timberlands.

Break every match in two; pinch until cold, crush out cigarettes, cigars or pipe ash. . . stop to smoke in safe places; or, in automobile, use ash trays. . . build camp fire on bare earth; drow it down with water or smother with dirt before leaving for a moment. Be sure the last spark is out. . . before burning brush or clearing fields with fire, scrape or plow a safety line; notify neighbors; have help on hand in case of danger; don't burn in dry or windy weather; be sure the last spark is out before leaving. . . kill small wild fires, report others immediately to the nearest ranger or fire warden.

The slogans of this year's forest fire prevention campaign are: "Burned Timber Builds No Homes." "Please, folks, be careful this year. Remember, only you can prevent forest fires."

Jean: "I will not, I got here first."

T. E. H. Patterson was busy at the counter when Bill Freeman creaked in.

Bill (groaning): "I don't know what to do with this rheumatic pain."

Pat (politely): "I didn't know you suffered from rheumatism."

Bill (glooming): "What else can you do with it?"

First Cow: "Here comes another new hired man."

Second Cow: "Yes, life on this farm is just one jerk after another."

EDUCATION or DEMONSTRATION

How demonstration in the field is helping to solve the problems of Alberta farmers is told by H. J. Mather, Supervisor of Soil Conservation and Weed Control. He says that most people like to see results that you can sell them a new idea, and that one of the best ways to introduce weed control and soil conservation methods is to set up demonstration plots so that the farmer can see for himself.

Hugh Berry had just crashed into a telephone pole. Wire, pole and everything came down around his ears. They found him unconscious in the wreckage, and as they untangled him he reached out feebly and fingered the wires and murmured, "Thank heaven, I've lived clean. They've given me a harp."

"If there is one thing I enjoy more than another," said Keith Baldwin, "it is to get to the banks of the river and lie about fishing."

"Why, I fail to see the necessity for your going to the banks of the river to do that," remarked Mrs. Baldwin quietly.

Mr. Mather cites the case of one man with a problem - a farmer west of Edmonton who had purchased a quarter section on which quick grass was so thick that it had been cut for hay in the previous year. Summer-fallow seemed the only solution, but on advice from Service Board representatives this farmer decided to seed part of the field to Olli barley.

The method used on the plot was this. In the fall of 1945 the land was plowed and double disced, and in the following spring it was one-wayed twice before seeding. Olli barley was sown in 11-45 fertilizer at the rate of 30 pounds to the acre applied. The result 35 bushels of barley to the acre.

Another demonstration east of Edmonton showed the way to control of tartary buckwheat. For the past fifteen years tartary buckwheat has been one of the biggest weed problems in the district. On this plot, surface cultivation and delayed seeding were used. The effect of this treatment was to reduce the number of tartary buckwheat plants from 120 per square yard to 2 per square yard. The barley yield increased from 20 to 50 bushels per acre.

There may be demonstration plots in your district this year - perhaps on your farm. If you are interested in solving a particular weed or conservation problem see your District Agriculturist or Field Supervisor and let them help plan your programme.

CARSELAND NOTES

The Carseland United Church took on a new interior decorating job lately, thanks to Mr. W. Tew of Strathmore, who is to be congratulated for doing a smooth piece of brush work.

Mrs. Good of Calgary spent the weekend with her daughter, Mrs. L. Briscoe.

Mrs. D. J. McKinnon spent last week in Edmonton attending the stock show.

Miss Gwen Hunt entertained a number of her Strathmore friends last Saturday.

Standard, Gravel of Calgary is travelling No. 24 highway, from the Bow River bridge to the junction with No. 1, north of Cheadle. After No. 24 is finished, hard surfacing operations on No. 1, highway will begin. The company has a larger crusher and dragline this year, located south-east of town and it's keeping a large number of trucks rolling on the haul.

Mrs. Stitt and family of Hawt were visiting with her parents Mr. and Mrs. B. Field.

We are sorry to hear Mrs. A. Anderson has been under the weather lately and we hope for a speedy recovery.

Mr. and Mrs. George Jamieson and family are spending two weeks holidays with his parents Mr. and Mrs. J. Jamieson.

Work on the curling rink started last week and a bed of donated tractors had the ball diamond moved over and leveled out, leaving the land south of the hall open for the curling rink. A cistern has already been excavated and as soon as building operations start, donated labor will be greatly appreciated.

A joint farewell party for Mr. and Mrs. H. Hyvinkja and Mr. and Mrs. S. Beagle was held in the hall Saturday. Two sets of identical dishes were presented to the guests of honor or by Jim Groves on behalf of the community. A tasty lunch was served by the ladies before the party broke up.

Mr. John Christensen and Walter of Allengrove B.C. is visiting with relatives and friends in the community.

The sudden passing of Mr. Peter Konkin at Rochester was a shock to the community. The remains were shipped home and burial took place at Arrowood.

OBITUARIES

Mrs. Joe (Dora) Garnett was born at the farm of her grandparents, the late Mr. and Mrs. C. A. Phillips, on February 12, 1899. A year later with her parents, Mr. and Mrs. E. C. Dalton, she moved to a farm in the Dalmat district. She received her public schooling at Oakland Rural School and her high school training at Dalmat. She was a graduate of the Claresholm School of Agriculture and Commercial Business School in Calgary. In 1931 she married Mr. Joe Garnett and lived in the Carseland district where she was a willing worker in all community activities. Her sudden death on March 31 was a severe shock to her family and friends.

She leaves to mourn her husband, Joe, one son, Jack, a daughter, Verna, her parents, Mr. and Mrs. F. C. Dalton of Calgary, a brother, Ed, Carleton, and two sisters, Mrs. B. Morgan, and Mrs. Benny McKinnon of Calgary.

Funeral services were held from Jacques Funeral Home on Thursday, April 3 with Cyril Hutchinson officiating. A solo, Safe in the Arms of Jesus was sung by John Hornstra. Pallbearers were Ralph C. Coeffer, A. Thompson, E. Berquist, W. Slater, R. McKenzie, and W. Melendy. Interment was at Queen's Park, Calgary.

J.R. POTATO CLUB PLANS SEASON

Members of the Strathmore Junior Potato Club gathered in the study of the United Church on Thursday afternoon of last week to discuss plans for club this year. Bill Gronberg president, and Marion Barnett were elected secretary. The members were given a resume of activities for the last year, together with a picture of the earnings of the club, and heard a few new ideas developed, under R. J. Milligan.

A suggestion was made and agreed to that the bins in the root cellar be lined this year, in such a way as to permit circulation of air about the bins.

Three new members were received, and the possibility of opening the club to boys and girls from the town was discussed. This move, it was suggested, might increase materially the membership.

TOWN COUNCIL

Gates to Lambert Park, which were bought some thirty-two years ago and have not been used for about thirty years, were sold at Tuesday night's council meeting. It is not sure if there are now two or three gates, but the same price each will apply in either case.

The tax position of the town was reviewed, and shows unpaid taxes at the lowest figure in the history of the town. The Council felt this was of course gratifying, but hoped that the picture might be cleaned up entirely. The financial statement showed the Town to be better off by \$1300 than it was at the same time last year, in spite of its having bought the tractor and equipment in the year. This picture, it was suggested, augured well for a reduction in the mill rate, though one councillor suggested he felt it would not be so wise to reduce the mill rate at the present, as it would continue in this neighborhood and build up a reserve against possible hard times ahead when the taxes would necessarily have to come down.

In response to a request from the Wheatland School Board for a delegation from the Town, it was agreed that the whole council should form a delegation to attend the next meeting on Friday, April 18.

An agreement with the Alberta Government Telephones to cover installation of a switch to operate the fire siren in the telephone office was read and agreed to. The agreement includes a provision that the switch and siren be tested once each day.

Arrangements will be made to fix the pipe at the lower corner of Main Street, which is out of its socket. Councillor Smith was asked to take

whatever steps he desired to plant trees in the strip in front of the nuisance ground.

The possibility of erecting a light in the laneway behind the Memorial Hall was discussed, and further attention will be given this.

A report was received from the concern who dug the well for the water supply, stating that they felt this was an excellent supply and that the town was indeed fortunate to be blessed with such an excellent water supply. The government analysis of the water indicated a very soft water, with only a reasonable amount of soda. A drilling history and diagram of the well was provided in addition.

CHANCELLOR NOTES

What's this we hear about a Mechanical Monster chasing Pep Hansen all over the yard and hitting him on the head.

Mrs. B. L. Hegi arrived home with her baby daughter, Linda Jeannette. Mr. and Mrs. G. C. Phillips were Sunday guests of Mr. and Mrs. C. T. Armstrong of Hussar.

C'SELAND CURLERS OFF TO GOOD START

Work started at Carseland Monday April 7th with four tractors and tumble-bugs, two Fordson plows and a maintainer on the grounds for the curling and skating rink to be erected on the community property to the south of the Hall. The whole block, including the baseball diamond, is being levelled and a hole is being dug for a cistern under the curling rink. Labor is being contributed.

This project is being financed by voluntary subscriptions. To date approximately three thousand dollars has been received and the committee would like to have the remainder of the pledged money as soon as is possible. Further contributions from anyone interested will be greatly appreciated as it will take considerably more than has been promised to complete the project.

Cement is already on hand and number has been contracted for delivery before June 1st.

SUCCESSFUL L. A. TEA AT LANGDON

— By G. E. W. —

The Ladies Aid of the United Church held their annual Easter Tea and Bazaar in the hall on Wednesday afternoon April 9. The many tea tables were attractively laid with lunch cloths and colored flowers, adding a spring like appearance. The Bazaar table was well filled with many articles of fancy work, preserves, aprons, home made candy, etc., all of which were sold during the afternoon. Rev. Mr. and Mrs. Hunt called and had tea, having a little while to visit. Fortune telling was the added attraction of the afternoon when Madam V. C. Scott shy took charge. The sum of \$53.00 was realized from the afternoon.

The directors of the W. I. met at the home of Mrs. A. Watson on Thursday afternoon, April 10. Business matters

Oldsmobile Series "66" (or "68") 4-Door Sedan

The 1947 Oldsmobile is *smart* in more ways than one. *Smart* styling... certainly. But it's a *smart* investment, too. An investment in the dependability and quality for which the Oldsmobile name is famous. An investment in the riding comfort of Quadri-Coil Springing and 4-Way Stabilization. An investment in the matchless driving ease of GM Hydra-Matic Drive—the only drive that shifts gears automatically and eliminates the clutch pedal entirely. Choose the low-priced Oldsmobile "60" (either a six or an eight)—or the popular-priced "70" (also with a choice of engines)—or the luxurious "98" Custom Cruiser. Whichever it is... you'll be making a *smart* choice!

The demand for new cars is still so great that it may be some time before you take the wheel of your new Oldsmobile. Make sure your present car keeps rolling. The better its condition, the safer you are... and the higher its potential trade-in value.
